HCS is the holder of the Intellectual Property Rights in the Product, including, without limitation, such aspects of the Software as its code, structure, sequence, organization, "look and feel", programming language and compilations of command names, descriptors and data. Notwithstanding the obligation to provide acknowledgment stated above, no other right to use the names, marks or other distinctions of the Product or HCS is granted.

## **Permitted Uses and Installations**

Subject to the terms of this Agreement and Your acceptance thereof, HCS grants You a nonexclusive license to use the Product solely in accordance with the License Class, Processes, and Use Class indicated on Your License Certificate. This Agreement terminates in the event that You receive a license to use an upgraded version of the Product in place of this Product, which upgrade, as well as any other improvement or enhancement, HCS is under no obligation to provide. Should You receive an upgraded version of the Product and desire to continue concurrent use of the older version, this License Agreement and License Certificate shall be merged with and be superseded by the upgraded License Agreement and License Certificate such that Your continued use will be allowed under the terms, conditions and restrictions therein. Your license to use the Product terminates on the license expiration date, if one is indicated, or upon notice of a material breach that is not cured within 30 days of receipt of notice. Provisions of this Agreement that by their nature express ongoing rights or obligations shall survive the expiration or termination of this Agreement. You are also authorized to:

- a. for a Single-Machine License Class, install and use Software only from a single storage device (e.g. a hard-disk drive);

## **Limited Warranty and Disclaimer**

HCS warrants that the Product shall be free from defects in the physical media for a period of 90 days following the date of purchase when used under normal conditions. You acknowledge that HCS shall provide, as Your sole remedy for breach of this warranty, another copy of the Software. The foregoing warranty is in lieu of all other warranties, express or implied.

HCS does not warrant that the Product is free from all errors and/or omissions, and in fact it may contain them. Except as specifically set forth above, the Product is provided "as is". HCS makes no representations or warranties, express, statutory or implied, with respect to the Product or the Software contained in the Product or data accessed thereby, including, without limitation, any implied warranties of merchantability, interoperability or fitness for a particular purpose, all of which are expressly disclaimed. HCS does not warrant that the functions contained in the Product will meet Your requirements or that the operation of the Product will be uninterrupted or error free.

HCS, and its agents, representatives and independent contractors, shall not be obligated to provide or liable, under any circumstances, for providing information on or corrections to errors and/or omissions discovered at any time in the Product, whether or not they were aware of the errors and/or omissions. HCS does not recommend the use of the Product for applications in which errors and/or omissions could threaten life, injury or significant loss. Some states do not allow the exclusion of implied warranties, so this may not apply to You. This warranty gives You specific legal rights, and You may also have other rights that vary from state to state. This Agreement is governed by the laws of the State of North Carolina in the United States of America without effect to any choice of law provisions.

### **Limited Damages**

In no event shall HCS or its agents, representatives and independent contractors be liable for any lost profits, lost use, lost benefits or any consequential, indirect, incidental, special or punitive damages, whether in contract, tort or otherwise, even if HCS has been advised of the possibility of such damages. HCS's cumulative liability to You or any other party for any loss or damages resulting from any claims, demands, actions or otherwise arising out of or relating to this Agreement shall not exceed the license fee paid for the Product. Some states do not allow certain limitations of damages, so the above limitations may not apply to You.

### **United States Federal Government Restricted Rights**

If this Software is acquired by or on behalf of the US federal government, this provision applies. Use, duplication or disclosure of this Software is subject to restrictions set forth in FAR 52.227-19 and DFAR 227.7200–227.7202-4, as applicable. The Software is "commercial computer software" and is licensed with only "Restricted Rights".

### **Translations**

Where HCS has provided You with a translation of the English-language version of the terms, then You agree that the translation is provided for Your convenience only and that the English-language version of the terms will govern Your relationship with HCS. If there is any contradiction or discrepancy between what the English-language version of the terms says and what a translation says, then the English-language version shall take precedence.
